

**THE FIRST RUSSIAN CONGRESS OF AESTHETICS  
(ST.PETERSBURG, 17-19.10.2018)  
CALL FOR PAPERS**

The First Russian Congress of Aesthetics is the largest professional event in Russian aesthetics. Its main aim is the uniting of researchers, creating a wide platform for opinion exchange, sharing new ideas, approaches, and results. As organizers, we believe that a friendly and professional environment will give us not only an opportunity for communication but also a chance to hear new voices and names, a chance to be heard. The First Russian Congress of Aesthetics is the first important step in developing aesthetics in Russia.

Organizers of the Congress:

- **St. Petersburg State University**
- **Russian Society for Aesthetics**

The program of the Congress will feature a presentation by plenary speakers and the work of 15 sections (in Russian) and section «Contemporary Aesthetics: Beyond the Limits» (in English).

Also within the framework of the Congress will be hold:

- the results of the Competition for the best student work on aesthetics in 2018;
- a meeting "Developing aesthetics in Russia", where steps of aesthetics developing and productive forms of interaction between researchers will be discussed;
- a presentation of the journal "Terra Aestheticae";
- a meeting of the Russian society for Aesthetics with the purpose of its institutional consolidation.

You can find more information about our Congress here:

[www.rusaesthetics-conf.ru/](http://www.rusaesthetics-conf.ru/) (in Russian)

Please send your abstract (max. 200 words) for section «Contemporary Aesthetics: Beyond the Limits» (in English) to the address: [rsaesthetics@gmail.com](mailto:rsaesthetics@gmail.com) before **September 13, 2018**.

All submitted abstracts will be reviewed by the Programme Committee.

The Conference fee is 20€ and covers all conference materials.

Due to difficulties in payment, the Conference fee is to be paid to the Congress' secretary before it's beginning.

***We will be glad to see you as participants of the Congress!***
